

## Survey Results: Should Teachers Be Armed in the Classroom? Parent U-Turn, Fall 2022

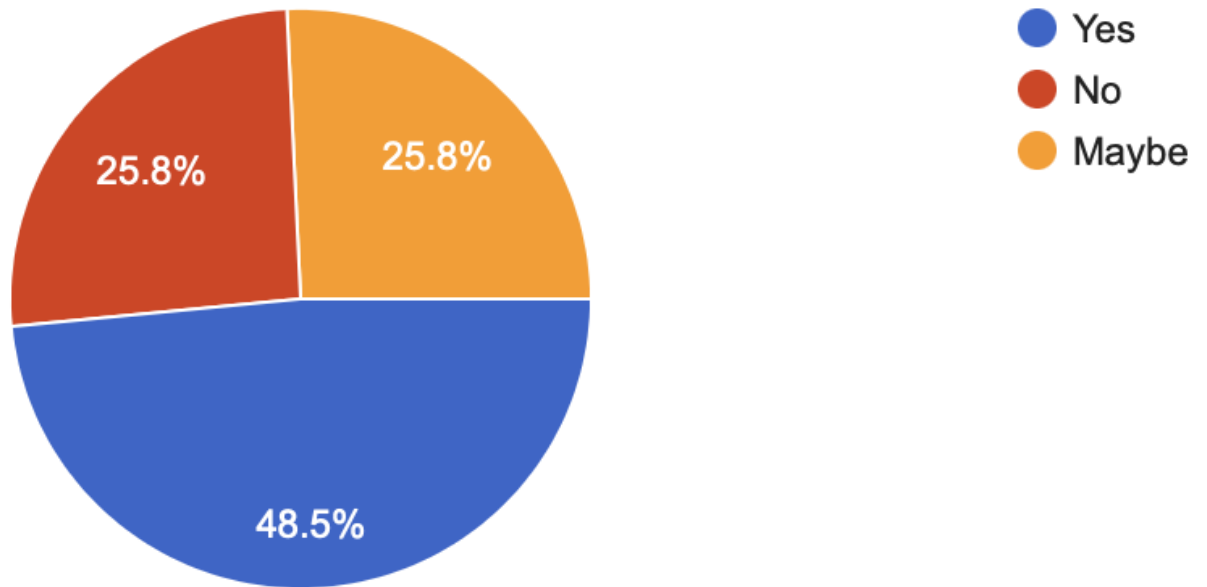

1. Do you think armed teachers in the classroom add more risk to students' wellbeing?

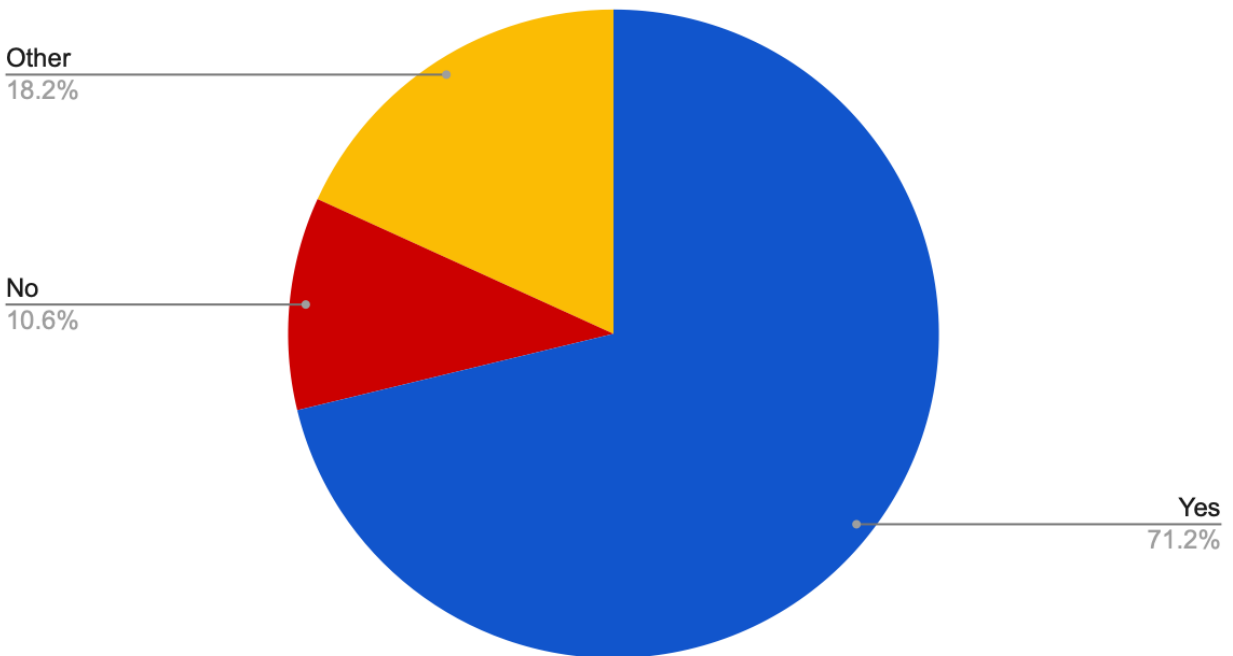

2. If teachers are minimally trained in gun safety, will the teachers engage in gunfights with perpetrators?

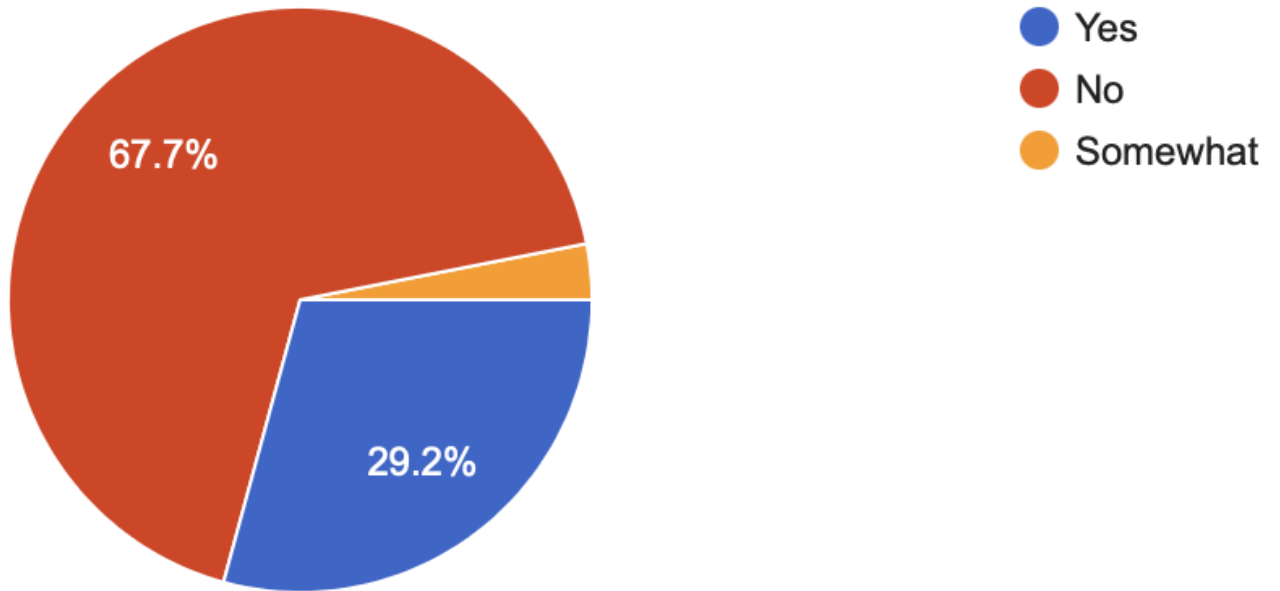

**3. Will arming teachers bring more charges of criminal liability against teachers?**

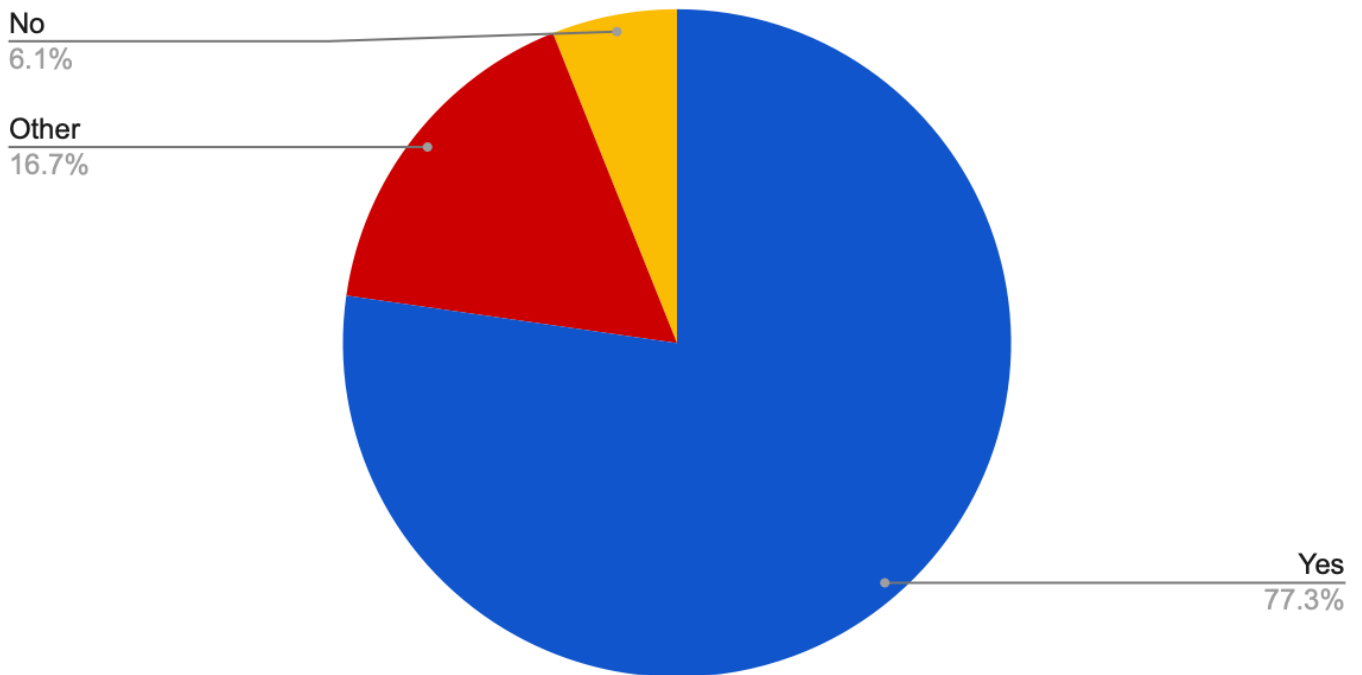

**4. Do you believe the first focus should be on preventing shooters from getting their hands on guns with sensible gun laws?**

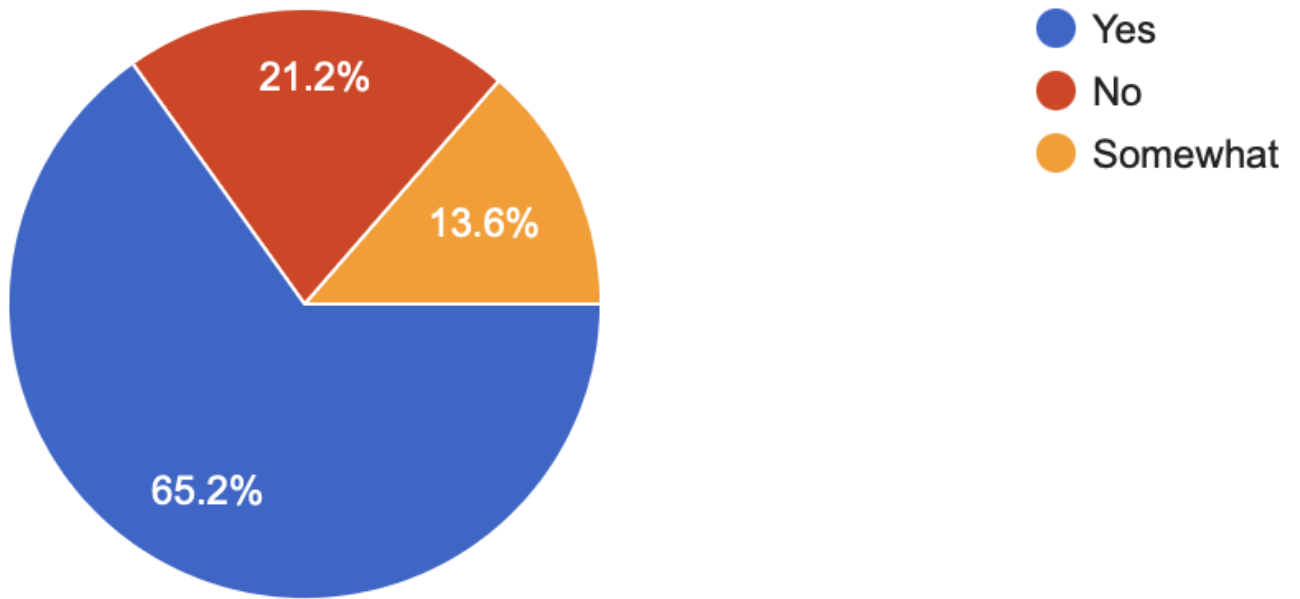

**5. Would armed teachers make you feel safer to send your children to school?**

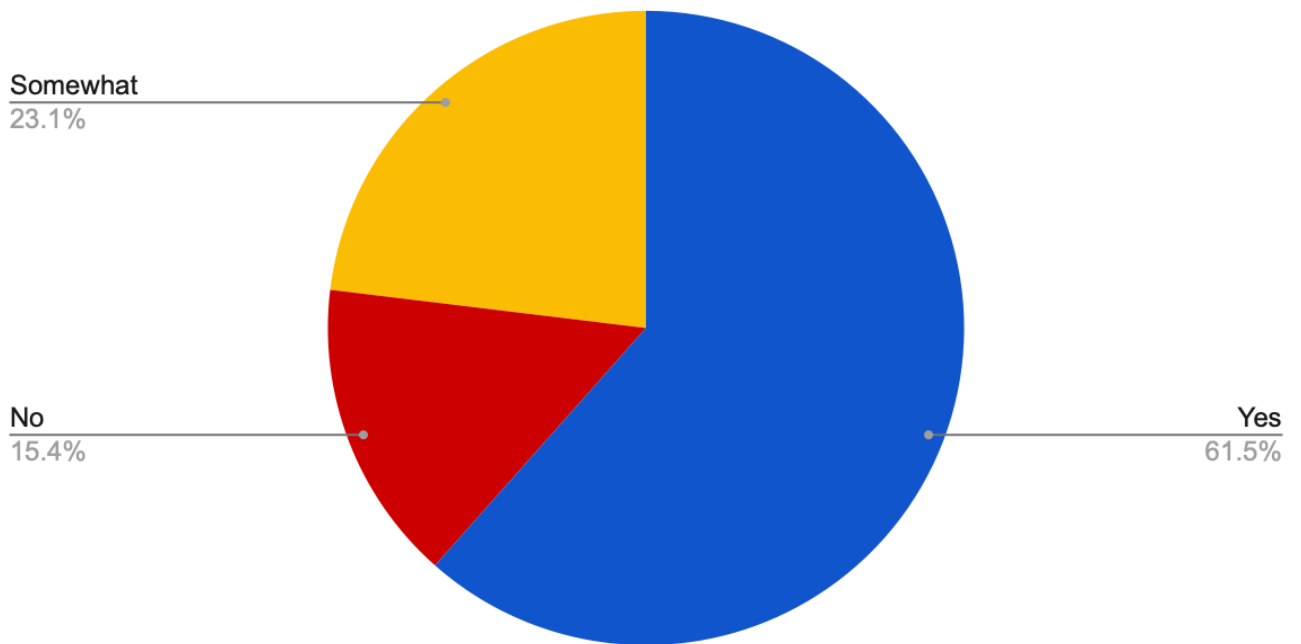

**6. Do you believe it is time to protect our students and not guns?**

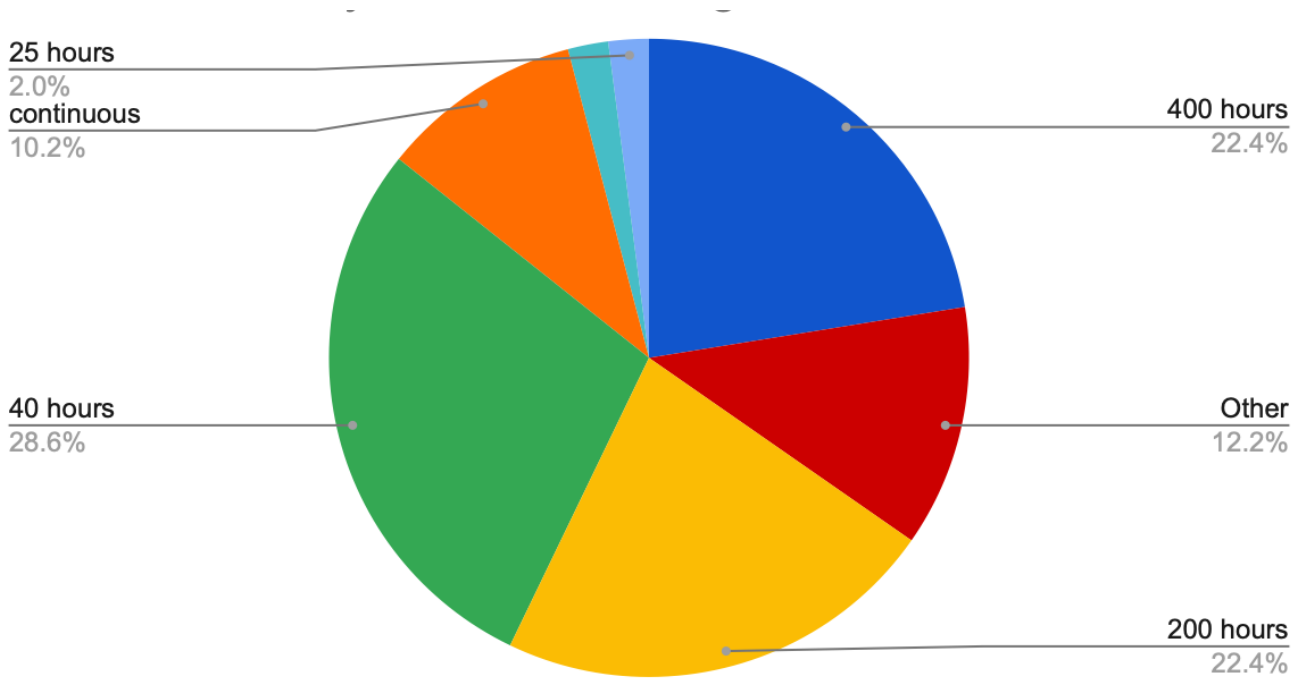

**7. Do you believe that fear of being killed by a gun has become a normal part of growing up in America?**

**8. Do school-age students worry about shootings happening at their school?**

**9. If teachers are armed, what should be the minimum hours should they receive in training?**

**10. Overall, is having armed teachers in the classroom a good idea or bad idea?**
